ROLE: FEMALE HOST/SKETCH PLAYER

DESCRIPTION: FEMALE, ANY ETHNICITY, CAN PLAY 13-17 YEARS OLD. STRONG COMIC ACTRESS with great timing, energy, presence, and versatility. She is the co-host of the variety "show within a show" and so must be capable of delivering host-y dialogue and banter, but must ALSO be able to turn on a dime and perform a diverse range of sketch comedy characters within the show. The ideal candidates will have a combination of comic acting and improv skills. Characters, standup and sketch comedy ability are a big plus. Singing/musical ability not necessary but a plus. SERIES REGULAR.

MEETING WITH: Working with Director, Bruce Leddy, the Producers as well as Carol Goldwasser. You will be working with other actors, as well.

You will be reading for BROOKE (revised sides) as well as one of the characters in the new sides revised Moron Man. We will advise you later as to which role once the Producers decide.

IF YOU CAN (BUT NOT MANDATORY) - Prepare any UNIQUE, FUNNY sketch/improvisational characters. Think the Next Kristen Wiig or the voices and characters from SNL. What would they do? They would like some versatility. If not, preparing just the sides is fine!
