

Try to find the balance between **showing too much** and **being boring** for each role.

RILEY
You know why we're here right?

D.D.
To visit grandma.

RILEY
Yeah, before she dies.

D.D.
What?

QUINN
Don't say that!

RILEY
It's true.

D.D.
Quinn, is that true?

QUINN
No. Don't listen to Riley. Okay? Grandma's fine. She was happy on the phone, right?

D.D.
Yeah, she was pretty normal, I guess. (thinks) But if everything's okay, why is she here? In the hospital?

RILEY
Yeah Quinn. Why is she in the hospital?

QUINN
When you get old, sometimes you get sick --

RILEY
-- and sometimes you get so sick that you die!

D.D.
I can't be here -- I'm going back.

D.D. gets to upset to stay and EXITS.

QUINN
What's wrong with you?

RILEY
You're not protecting us by lying.
