

INT. LIVING ROOM - DAY

DJ and Derek are looking at a hideous painting. They don't like it.

Start →

DJ
It's kinda....

DEREK

Ugly? I know. My wife's taking this art class. She said it's a portrait of me.

DJ
That's supposed to be you?!

DEREK

Shhhh. Here she comes.

DJ
What are you gonna do?

DEREK

Tell her the truth.

DJ
Okay. It's your funeral. Later.

DJ leaves Derek stranded.

KELLY
Hey babe. What do you think?

DEREK

So good honey. I love it. Really brings the room together.

KELLY
Oh good. I was nervous you were gonna hate it.

DEREK

(smooth)
How could I hate something that you put your heart into?

KELLY
Aw, that's why I love you.

Kelly exits.

EXT. TREE LOT - NIGHT

Bill and Annie stand in front of a row of tall Christmas trees.

Start →

BILL

Honey, please, you have to choose one.

ANNIE

I can't decide.

BILL

It's just a tree topper. Just pick one before the whole holiday season is over!

ANNIE

Okay, okay. Just give me a sec. Well, I like the angel...

BILL

Good.

ANNIE

...but I like the star too.

(then)

Oooh, look at the cute little mini-trees!

Bill storms off in a huff.

INT. DANCE STUDIO - DAY

Señora Rosanna wears an elaborate salsa dress and stands in front of Alex.

Start

SEÑORA ROSANNA

Why do you want to learn the art of Salsa?

ALEX

(thinks)

Hmm...lets see...

Señora Rosanna SMACKS Alex upside the head.

SEÑORA ROSANNA

NO! Don't think. *Feeeeee!* You must have become the salsa.

ALEX

Maybe I'm just not ready for the super advanced lesson. I've only had a few classes.

SEÑORA ROSANNA

Nonsense.

ALEX

Yes-sense. I don't have the fancy shoes like you, my tongue still can't roll the R's, and I don't know any of the famous Latin people on the wall.

Above Señora Rosanna is a row of old framed photos.

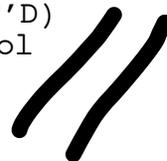

SEÑORA ROSANNA

That's my family. Listen to my words but watch my hips, okay?

Señora Rosanna starts PERFORMING A VIBRANT SALSA!

SEÑORA ROSANNA (CONT'D)

You have to let the beat control you, and then you SALSA!
