

BRYCE

You haven't seen Joe anywhere, have you?

GIRL

You mean the giant eleventh grader who wants to kill you?

BRYCE

Yeah, that's him.

GIRL

Haven't seen him, but I'd be scared if I was you.

BRYCE

He's totally overreacting. Some people need to learn how to take a joke. Right?

GIRL

You insulted him on Instagram.

BRYCE

It's called 'satire'! Besides, he shouldn't have posted that picture if he didn't want to get teased. It was like he was daring me to make fun of -- Uh, is there someone behind me?

GIRL

(nods) Yup.

BRYCE

(turning around) Hey Joe! We were just talking about you. How've you been?

JOE

You're dead!

BRYCE

I know.
