CHEATERS

By: Japheth Gordon

X, Y, and Z are taking a test in a quiet classroom. X turns to Y with:

X
Hey... Can I copy?

Z
You mean cheat?

X
I wasn't talking to you. (turns to X) C'mon. Please.

Y
I don't think I should. My mom always says "cheating is wrong".

X
This isn't cheating. It's copying.

Z
Is there a difference? When you get caught, are you going to say "We weren't cheating, we were copying!"?

Y
She makes a good point.

X
Don't listen to her. She's the teachers pet.

Z
Well you're lazy.

Y
Guys. Don't fight. We're all in this together. This test is hard enough without us arguing. We have to finish before --

TEACHER
Times up!

KIDS
NOOOOO!
