

THE CLUBHOUSE

CHARLOTTE
(from behind door)
Who goes there?

ALLY
It's me. You know it's me. Now let
me in.

CHARLOTTE
Who is this "me"?

ALLY
C'mon Charlotte. This is crazy. I'm
your best friend.

CHARLOTTE
What's the secret password?

ALLY
Password? Since when do we have a
password?

CHARLOTTE
Since you kissed Brady at the bus
stop yesterday.

ALLY
Is that what this is about? I swear
I didn't know you liked him.

CHARLOTTE
Sorry, you can't come in - ever
again.

ALLY
I would never kiss a boy you like
on purpose. How was I supposed to
know you liked him?

CHARLOTTE
Remember when I scribbled Brady's
name, like one hundred times in my
notebook?

ALLY
I thought you were practicing your
cursive.

CHARLOTTE
No. It's 'cause I like him - a lot.

BEAT. Ally thinks...

ALLY

Well you should know, kissing him
was gross.

CHARLOTTE

Really?

ALLY

Yeah, when he got close, his breath
smelled like my dog.

CHARLOTTE

Eewwww!

ALLY

I know.
