

Still Connected

A CAMPGROUND. TEEN 1 and TEEN 2 sit in front of a fire. TEEN 2 watches a YouTube video on a Verizon phone.

TEEN 1: You get service out here?

TEEN 2: (preoccupied) Uh huh.

TEEN 1: The whole point of this vision quest was to get far away from where our devices work.

TEEN2: Good luck with that. Verizon has 4g LTE with the nation's largest coverage map so no matter where we go, I'm still connected.

TEEN 1: Oh yeah...

We are TRANSPORTED TO A SWAMP. Our TEENS are waist-deep in muck.

TEEN 1: How 'bout here?

TEEN 2: Still connected.

TRANSPORT AGAIN TO A GLACIER. TEEN 1 freezing in icy wind. TEEN 2 calmly on phone.

TEEN 1: H-h-how 'b-bout h-h-h-here?

TEEN 2: Still connected.

TRANSPORT AGAIN TO RURAL PLAINS. Wide open space except for the HUGE BISON THAT TEEN 1 HASN'T SEEN.

TEEN 1: How 'bout here?!

TEEN 2: Still connected! And live streaming!

TEEN 1 turns and sees the snorting beast about to charge!

TEEN 1: Aaaahhh!
