

:30 DISNEY WORLD VACATION SCRIPT

Open on a bored KID in the backseat, playing a game on the phone. Kid stops playing and addresses us.

KID: I've been buckled in back here
(TO CAMERA) for six hours. Another family vacation.

KID: What's there to do in Florida
(TO PARENTS) anyway? Grandma's house, mosquitos, and -- No way! Are we at Disney World?!

Cut to shots of KID with parents in the Disney Park. KID stops having fun for a moment to address us one last time.

KID: Best. Vacation. Ever.
(TO CAMERA)
