DETECTIVE
Mind if we ask you some questions?

No.

STELLA

DETECTIVE
Sorry this room is so dirty. No one ever dusts those old air vents up there and my asthma is killing me so let's make this fast. First question... do you recognize this phone?

Detective places an iPhone on the table in front of STELLA.

No.

STELLA

DETECTIVE
Look, I'm the nice cop here...

The OTHER DETECTIVE (MCKINLEY) steps forward.

DETECTIVE (CONT'D)
My partner, McKinley over there, he ain't as friendly as I am.... especially not with famous celebrity types who lie. Wanna take another look at the phone?

Stella's cool exterior might be cracking.
