

SKY  
Are you drunk?

SKY  
Me neither. Aw man, this  
isn't good.

SKY  
I don't wanna miss out.  
(beat) Listen, I know  
tonight was supposed to be  
'the night', but...

SKY  
No, that's not it. I just  
don't know if I want  
everyone to know we're back  
together like this.

SKY  
That is NOT the kind of  
person I am. To be honest, I  
don't know if I trust you.
