

X

Not very cozy in here.

Z

It's a jail cell. I don't think they were going for comfort.

X

We've been here five minutes, and I'm feeling pretty punished. When do we get to go home?

Z

I guess they're going to hold us in here 'til our parents come.

X

How long's that gonna be?

Z

I don't know.

X

Is this even legal?

Z

I don't know.

X

I mean we're the only minors in here. Shouldn't we get our own cell or something?

Z

I don't know, okay? Maybe when kids get caught stealing, they just throw them in here with all the other criminals.
