

DON

This may seem like it's coming outta the blue, but I got to say something so...I'm bored. I'm bored with you. There I said it.

DON

I know. Well I was happy when we started together. I had the most fun with you. I blame myself for letting it get so bad so fast.

DON

It doesn't take a genius to figure out when something isn't working.

DON

Yes. I mean, I don't think it's going to change anything.

DON

I wasn't even thinking about that. I forgot all about it this weekend.
