

BETH

Wait. What? You just come out and say something like that? I mean, how am I supposed to react to that? What do I say to that? Put yourself in my shoes.

BETH

This is very fast. We've only been together for a month. That doesn't even seem like enough time to know how you really feel yet.

BETH

Can I tell you how I feel?

BETH

I feel terrible...Why now? Your timing is so bad.

BETH

Now I have to deal with your family, all weekend, knowing that only one of us is in love.
