

PEYTON

Well, it happened. I'm part of the
make-out club.

PEYTON

I don't know. Have you ever kissed
someone and wished it was someone
else?

PEYTON

The thing is... while I was with
Avery, I kept thinking about being

PEYTON

ourselves 'just friends' is the
definition of being a coward.

PEYTON

I finally take risk, and this is
how it ends up.
