

MORGAN

You look worse than normal. What's wrong?

MORGAN

Excuse me as I laugh in your face because that's kinda hilarious.

MORGAN

No. Absolutely not. That sounds like a horrible form of torture but since I can tell you wanna talk about it, go ahead.

MORGAN

I don't like games. Unless you have plans to put those thoughts into actions, I don't know why you're telling me.

MORGAN

I'm done pretending. You and I are officially not friends anymore.
