

MATURITY

by: J. Gordon and A. Theuer

INT. BEDROOM - NIGHT

LEAH, in the mirror, getting ready to go out. She finishes her hair and puts a little eye makeup on.

CHRISTINE, all ready in her cute outfit, is scrolling through her phone.

CHRISTINE
(to herself)
...asshole.

LEAH
What now?

CHRISTINE
Some loser posting dumb comments on our last video. Guess what "GirlMagnet99"? You just got blocked.

LEAH
I told you not to read those.

CHRISTINE
I'm sure this guy is NOT a magnet for girls.

LEAH
Magnets can also repel.

CHRISTINE
Good point.
(beat)
I don't understand these guys who only get on here to write mean stuff.

LEAH
They're immature.
(beat)
I'm almost ready. Did they text you yet?

CHRISTINE
(reads text)
Looks like Aiden isn't coming.

LEAH
Of course.

CHRISTINE

Ugh. That means Jay and Ryan won't be there either. They do whatever Aiden does.

LEAH

Like I said...immature. It's a fact of biology. After puberty, it takes guys a couple of years to catch up to our maturity level.

CHRISTINE

So what are we supposed to do until then?

LEAH

(playful)

Let's just date each other.

CHRISTINE

(sarcastic)

Yeah, we'll be lesbians while we wait.

LEAH

But for real, when's the last time a guy even acknowledged how beautiful you are?

CHRISTINE

Good luck finding a guy to do that.

LEAH

Well, that's why you have me.

CHRISTINE

Exactly. Shower me in compliments.

LEAH

You're gorgeous.

CHRISTINE

Mm hmm... And?

LEAH

And I wish I had your hair.

CHRISTINE

Whatever. You know you have great hair.

LEAH

Yeah, but not like yours.

Leah strokes her hands through Christine's hair.

LEAH (CONT'D)
Super soft.

CHRISTINE
Don't mess it up before we leave.

Christine becomes subtly uncomfortable as...

LEAH
You have great lips.

CHRISTINE
Okay...?

...Leah's energy has changed from playful, to something else.

LEAH
You're pretty much perfect.

CHRISTINE
What are you doing?

LEAH
Isn't this you what you wanted?

BEAT.

There's something vulnerable in the way Leah is waiting.

Awkward tension mounts rapidly until finally...

BUZZ! Christine's phone vibrates! She reads it and...

CHRISTINE
Now they want us to meet up with
them.

...starts texting back.

LEAH
I guess we should go before they
change their minds again.

Leah, back in the mirror, puts last touches on her makeup and
we end how we started only with both girls ignoring the GIANT
ELEPHANT IN THE ROOM!
