

NOT QUITTING

by Japheth Gordon

CARA

Are you sure you wanna do this?

MICKEY

Yeah because if you want to back out --

**KINSLEY**

**-- What's wrong with you guys?**

MICKEY

Uh, this is insane.

CARA

C'mon Kins. You've already accomplished all you set out to achieve. What good is one --

**KINSLEY**

**-- It's the LAST one. Don't you get it?**

CARA

Fine but if they ask me to speak at your funeral, I'm gonna say "Kingsley was the kind of friend who never ever listened to --

**KINSLEY**

**-- to the people who said to quit."**

CARA

I was gonna say, "to the voices of reason."

Kinsley, disappointed, exits.
