

SELFISH

By: J. Gordon

INT. BEDROOM - AFTERNOON

Kara and Darcy sit on the couch. Darcy is obviously upset.

KARA

What is so important?

DARCY

This is the worst day of my life.

KARA

What is it?

DARCY

Dave broke up with me.

KARA

What?!

DARCY

He doesn't even care. We've been together since seventh grade.

KARA

I can't believe it...What did he say?

DARCY

He told me that he doesn't think we should be together anymore. Some junk about us "growing apart".

KARA

I'm so sorry Darcy.

DARCY

Megan said she saw him hanging out with some new girl last weekend.

KARA

Did she say who she was?

DARCY

No.

KARA

Wow, I can't believe this.

DARCY

I told you, he doesn't care.

(beat)

(MORE)

DARCY(cont'd)

I wish I was more like you. Then this wouldn't hurt so bad.

KARA

What's that mean?

DARCY

You know...you just hook up with guys and don't take it seriously.

KARA

Is that what you think?

DARCY

Yeah. I thought you were happy being single.

KARA

(offended)

No. I want to be with someone special too.

DARCY

Kara, I didn't mean...

KARA

You know how hard it is to watch you and Dave being the *happy couple* all the time while I have no one?

A BEAT OF SILENCE. They both are in their own heads.

KARA (CONT'D)

I'm sorry.

DARCY

This isn't your fault.

KARA

Yes. (beat) It is.

DARCY

What? What are you talking about?

KARA

(confessing)

I was going to tell you. Dave and me are...we wanted to tell you.

DARCY

You...you were the girl Megan saw?

Kara looks ashamed and Darcy is devastated as she accepts the truth. The Darcy goes from shock to mad.

DARCY

You always get whatever you want,
huh?

KARA

It's not like that--

DARCY

You could go out with any guy at
school EXCEPT for Dave! The one
thing that was mine, and you had to
have that too.

KARA

I'm sorry.

DARCY

No! You're selfish.

Both girls sit silently, hurting inside.
