

DAD

Wow.

TAYLOR

Dad, you're home.

DAD

This place is so clean.

TAYLOR

Yeah, I've been working ALL day.
Cleaned up. Did all my chores like
a responsible adult.

DAD

Your still not spending the weekend
at Jaime's house.

Dad exits smiling. Taylor: not so much.

CORY

Did you just see that?!

SAM

Sorry, I wasn't paying attention.
What did I miss?

CORY

I finally did a 360 flip off these
steps.

SAM

Oh. Cool. Do it again.

CORY

Do you know how hard a 360 flip is?
I've been practicing that for
months. I can't just "do it
again"!!

Cory skates off mad!

JULES
Uh, coming Dad.

DAD (O.C.)
Why is this door locked? Jules
opens the door.

JULES
Nothing. No reason.

DAD
What's going on in here? And I want
the truth.

Jules is busted and confesses.

JULES
The truth is, I'm nervous about
tonight so I was...you
know...practicing my moves so my
date won't think I'm a dork.

DAD
I see. Okay. I'll leave you alone.

Dad's a little confused as he exits

MORGAN

Ms. Peters!

MS. PETERS

Yes Morgan.

MORGAN

Kyle keeps trying to copy my paper.

Ms. Peters goes over to Kyle and says:

MS. PETERS

Kyle, why don't you come sit up
front? I have a special seat for
you.

DAD
We're gonna be late --

Dad walks in and catches A.J. enthusiastically playing make believe with dolls.

DAD
What are you doing?

A.J.
(lying)
Uh, throwing these away. Buncha stupid little kid toys. I don't what I thought was so magical about dumb pieces of plastic. I mean, look at this one... (making doll voice) "I'm specifically made for babies to play with."

DAD
Whatever. Pack that junk up and lets go. We're already late.

A.J.
Sure dad.

Dad exits.
