

X
I thought I'd never find you. This
place is huge.

Z
I got your text. You almost missed
kickoff.

X
Thanks for the ticket. Pretty
decent seats.

Z
Well, you can't see the other
endzone, but this section is always
the rowdiest.

Z notices X rubbing hands with lotion.

Z
What are you doing?

X
Sunscreen. Want some?

Z
This is a football game, not the
beach.

X
Well it's blazing hot out here. I
don't want to burn.

Z
Just put that away.

X
It's so much bigger than it looks
on TV. Like an ocean of people...

Z
Wait. Is this the first time you've
ever been to a game?

X
I went to a soccer match once.

Z
You sure you're American?
