I'm not sure yet.

2) Do you want to go now?

Maybe later.

3) Are you sure you want to do this?

No, but let's do it anyway.

4) Who told you about me?

It doesn't matter. I know everything.

5) Where did you find this letter?

I can't tell you. It's a secret.

6) How did you get in here?

I found a way in.

7) Why are you looking at me like that?

You know why I'm looking at you.

8) What's that supposed to mean?

I'll give you one guess.

9) I can't believe this is happening?

This is a big deal for you.

10) Do you think we should talk about it?

It's too late for that.

I'm sorry.

I don't have time for this!

I have a crush on you.

I'm the smartest person ever.

I don't want to talk to you.
