

PENELOPE IS TALKING TO HER FRIEND SAM, HER BEST FRIEND.  
(EARLIER AT SAM'S FAMILY DINNER, IT WAS REVEALED THAT  
PENELOPE IS GAY AND SAM'S PARENTS DID NOT REACT WELL.)

PENELOPE

(appalled) You're either living in a state of oblivion or you're too scared to admit that *they* are the wrong ones here. This weak position... this moral relativism has hamstrung your ability to discern potential societal benefits from obvious harm! (scoffs) Oh please, don't talk to me about socio-economic underpinnings and transcultural moral standards. Save your meta-ethics for someone who gives a \$#%\*. Instead of doing all these philosophical contortions to justify your their hate for me, I wish you'd see that I'm being persecuted for simply being me!
